We are growing some miniature and small type Glads such as Dainty Miss, Betty Coed, White Satin, Pink Ribbon, Fairy Fancy and others. Space does not allow listing on this wholesale list, but if you are interested in growing something a little usual, please drop us a card for quotations.

Our stock is guaranteed true to name and free from apparent diseases and thrip. Full size and count, hand-graded, and selected. No other guarantee is given. Our bulbs are hand-dug, hand-cleaned, and graded, and are not mutilated or bruised by machinery. Field and storage are State-Inspected.

Prices are quoted F.O.B. Jonesboro. Cash with order or 25% deposit, balance C. O. D. A 25% deposit, will hold bulbs until shipment is desired, providing it does not exceed April 1st, unless other provisions are made.

Since this is our second year in Arkansas we have tested and proven that bulbs grown in fertile silt loam of Arkansas are as good or better than bulbs grown anywhere.
